Purposes Of Fee: All eligible non-member employees in this bargaining unit will be required to pay to the majority representative a representation fee in lieu of dues for services rendered by the majority representative. Nothing herein shall be deemed to require any employee to become a member of the majority representative.

Amount Of Fee: Prior to the beginning of each contract year, the Union will notify the Employer in writing of the amount of regular membership dues; initiation fees and assessments charged by the Union to its own members for that contract year, and the amount of the representation fee for that contract year.

The representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues, initiation fees and assessments charged by the majority representative to its own members less the cost of benefits financed through the dues, fees and assessments and available to or benefitting only its members, but in no event shall such fee exceed 85% of the regular membership dues, fees and assessments.

Deduction And Transmission Of Fee: After verification by the Township that an employee must pay the representation fee, the Township will deduct the fee for all eligible employees in accordance with this Article.

The mechanics of the deduction for representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.

The Township shall deduct the representation fee as soon as possible, after the tenth day following reentry into this unit for employees who previously served in a position identified as excluded or confidential, for individuals re-employed in this bargaining unit from a re-employment list, for employees returning from leave without pay, and for previous employee members who

become eligible for the representation fee because of non-member status.

The Township shall deduct the representation fee from a new employee as soon as possible after thirty (30) days from the beginning date of employment in a position in this bargaining unit.

Demand And Return System:

The representation fee in lieu of dues only shall be available to the Union if the procedures hereafter are maintained by the Union.

The burden of proof under this system is on the Union. The Union shall return any part of the representation fee paid by the employee which represents the employees additional pro rata share of expenditures by the Union that is either in aid of activities or causes of a partisan political or ideological nature only incidentally related to the terms and conditions of employment, or applied toward the cost of any other benefits available only to members of the majority representative.

The employee shall be entitled to a review of the amount of the representation fee by requesting the Union to substantiate the amount charged for the representation fee. This review shall be accorded in conformance with the internal steps and procedures established by the Union.

The Union shall submit a copy of the Union review system to the Township. The deduction of the representation fee shall be available only if the Union establishes and maintains this review system. If the employee is dissatisfied with the Union's decision he may appeal to a three member board established by the Governor.

ARTICLE XVIII - UNION BUSINESS

The Township shall grant the Union Shop Stewards one (1) day off with pay, per year, for Union business. This day is non-cumulative.

ARTICLE XIX - HEALTH AND SAFETY

The Union shall elect a representative to serve as a liaison for health and safety issues.

Employees shall still immediately notify their immediate Supervisor of any health and safety issue as well as the elected representative.

ARTICLE XX - LEAVE OF ABSENCE WITHOUT PAY

Upon recommendation of the employee's supervisor, the Township Manager may grant a leave of absence without pay to a crossing guard for a period not exceeding six (6) months at any one time. Upon return the employee will be reinstated to their former position and pay rate, however any leave of absence for more than six (6) months, not including family leave permitted by law will be considered a break in service and the employee shall, if there is an opening available be re-hired as a new employee at a negotiated rate.

ARTICLE XXI - HOURS OF WORK

The hours of work for Crossing Guards shall be assigned by the Employer in conjunction with the Board of Education.

ARTICLE XXII - TERMS OF AGREEMENT

This Agreement shall govern all employees in the Crossing Guard Bargaining Unit, employed by the Township of Mount Holly and thereafter. Employees who have resigned prior to the execution date of this Agreement shall not be entitled to the benefits of this Agreement.

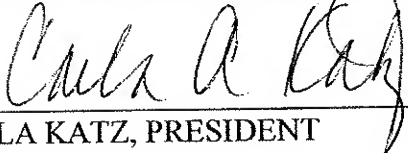

The term of this Agreement shall be from January 1, 2005 through December 31, 2008 and shall automatically renew itself unless either party notifies the other at least 90 (ninety) days prior to the expiration, of its intent to negotiate a successor agreement.

ARTICLE XXIII - FULLY BARGAINED PROVISIONS
